I recommend \_\_\_\_\_ for graduate studies at St. Bernard's.

Ordinarily the diocesan assistance program covered one-third of the cost of each course. The current economic situation makes it necessary to caution students that this number may decrease. Although we will make every effort to maintain the one-third award, a decrease to one-fourth of the cost may be necessary. Awards are contingent upon the amount of money we receive from the diocese.

We are asking our parishes to continue to do as much as possible toward trying to maintain the maximum assistance of \$488 per student per course.

We agree to Tuition Assistance of \$ \_\_\_\_\_  
(amount) For Fall For Spring For Summer
