Homilies, Eulogies, Words of Remembrance: Preaching at Funerals

Preaching at funerals is one of the most challenging aspects of pastoral ministry. We meet people, many of whom have been estranged from the Church for years, at their most vulnerable and grief filled moments. Our words of comfort, often within the flow of the Eucharist, should connect the beauty of the Order of Christian funerals to our basic belief in a moment of ultimate hope and final resurrection. Preaching at funerals is also one of the most important moments we have to proclaim the Good News of Christ to all. Join as we explore together both the theology and the pastoral skills needed to effectively preach at funerals.
